Men's Repulsion and conserved the invitation to review the parade on Nov 3 of the organizations composing the Business Men's Republican and Sound Money Association

"I recall the instring demonstration of four years ago and resolve that now, as then, with undiminished ranks, citizens of all parties are in line for national honor, public law, sound curreacy and industrial presperity, and, as in 180, are arrayed against those who are ineiting 180, are arrayed against the array that a that of the field walks are arrayed again this array to attract attent on is that of the field walks are arrayed again this area to attract and that of the tract of the real test of the parade that is sure to attrac class hatred and discontent among people of our happy country.

"We know no class distinctions in this fair land of ours."

"Indeed and discontent among people of James L. Wells, Herman H. Caumann, Deers, Richard V. Harnett, William mond, Allen L. Mordeen, Alfred E. Thomas S. Walker, John N. Golding, H. Carrenter, Benjamin Richards, F.

to be put upon the American name

patriotic allies throughout the country stamp out for all time in this Republic the evils of repudiation and dishonor Very sincerely yours.

WHATEAM MCKINLEY."

"We know no class distinctions in this fair land of ours "The American people will permit no stain to be put upon the American name "May these marching freemen and their patriotic allies throughout the country stamp out for all time in this Republic the evils of repudiation and dishonor Very sincerely cours, "Cavron, Ondo, Nov. 1, 1000"

"WE KNOW NO CLASS DISTINCTIONS!"

This letter was turned over to the Executive onmatice, at a meeting of which a suggestion was made that the words, "We know no class isfinctions in this fair land of ours," be placed pon a banner and the banner displayed in a pospienous place along the line of march, he suggestion was adopted and the banner displayed in a pospienous place along the line of march, he suggestion was adopted and the banner displayed in a pospienous place along the line of march, he suggestion was adopted and the banner displayed in a pospienous place along the line of march, he suggestion was adopted and the banner displayed in a pospienous place along the line of march, he suggestion was adopted and the banner displayed in a pospienous place along the line of march, he suggestion was adopted and the banner displayed in a pospienous place along the line of march, he suggestion was adopted and the banner displayed in a pospienous place along the line of march, he suggestion was adopted and the banner displayed in a pospienous place along the line of march, he suggestion was adopted and the banner displayed in a pospienous place along the line of march, he suggestion was adopted and the banner displayed in a pospienous place along the line of march, he suggestion was adopted and the banner displayed in a pospienous place along the line of march, he suggestion was adopted and the banner displayed in a pospienous place along the line of march, he suggestion was adopted and the banner displayed in a pospienous place along the line of march, he will be suspended this merning on Fifth avenue the line of march, he will be suspended this merning on Fifth avenue the line of committee, at a meeting of which a suggestion was made that the words, "We know no class distinctions in this fair land of ours," be placed upon a banner and the banner displayed in a conspicuous place along the line of march.

main artery of the city, and their comments were highly companientary to the art of the lecorar is and the particular of the business neathful effect in such a good cause. Of course the decorations along Broadway do not go further than Wayerey phase, where the line will turn west to Fifth avenue. In Wall tared and in other dewnlown streets running

dress, is worth a lork fourney to see.

A feature of the decoration is that it is not confined to the big office bandings. On the east side of Broadway, south of Wall street, there are any number of small stores, and the front of every one of them is decorated from the windows of tall office baildings which have already been decorated by the individuals or estates which own them, hand flars, showing that each tenant is quite as anxious to show his patriotism as anybody eise. The number of banners along broadway and the number of huge flags over which hand the names of the Republican candidates would be impossible to estimate. They present a manufacent sight as one looks from Rowing Green or from a point near City Hall Park. of the finest displays downtown is that of the finest displays downtown is that a brexel building at Wall and Broad streets, rebuildings in the vicinity which have no na dress of red, white and blue are Standard Oil, Chesebrough, Equitable American Surety, North American Trust, a National and Senbord National bank lings. There are dezens of other buildwhich are decorated from top to bottom, low where the work has been done so arwhich are decorated from top to bottom, few where the work has been done so arcelly as on the buildings mentioned. Furturely the forest work is on the New k Life Building. This is the only building the transmission of the Drevel Building the magnificence of its decorations for lay's parade. All of the big whoesale goods houses, and the buildings where leads sound money organizations have a beadquarters have been elaborately crated, while almost every building is utilized in smaller degree. The interiors of the exchanges are re-pleadent with a building and the pictures of the candisher members of the Building.

THE POLICE ARRANGEMENTS:

the f Devery will have a little more than two thousand policemen along the line of the

Cable Laid From St. Michael to Nome.

been laid between St. Michael and Nome. Alaska, and that the first message was sent over it on Oct. 20.

A Reliable Election Forecast.

hat, Nov. 2, 630 A. M - The foreign Ministers | for Manila. held another meeting to-day at the residence of Senor de Cologan, the Spanish Minister, who

the Business Men's Republican and Sound Money Association, which has charge of the parade to-day, was received at headquarters. In dispersing the parade at Fifth avenue and Fortieth street the plan is to send the divisions alternately to the right and the left and to keep them intact until they have gone to either Fourth or Seventh avenues, and there to either Fourth or Seventh avenues and there to the plan is to send the divisions alternately to the right and the left and to keep them intact until they have gone to either Fourth or Seventh avenues, and there to the plan is to send the divisions alternately to the right and the left and to keep them intact until they have gone to either Fourth or Seventh avenues, and there to the plan is to send the divisions alternately to the right and the left and to keep them intact until they have gone to either Fourth or Seventh avenues, and there to the plan is to send the divisions alternately to the right and the left and to keep them intact until they have gone to either Fourth or Seventh avenues, and there to the plan is to send the divisions alternately to the right and the left and to keep them intact until they have gone to either Fourth or Seventh avenues, and there to the plan is to send the divisions alternately to the right and the left and to keep them intact until they have gone to either Fourth or Seventh avenue theit and to keep them intact until they have gone to either Fourth or Seventh avenue theit and to keep them intact until they have gone to either Fourth or Seventh avenue theit and to keep them intact until they have gone to either fourth or Seventh avenue theit and to keep them intact until they have gone to either fourth or Seventh avenue theit and to keep them intact until they have gone to control the fourth or Seventh avenue the process the process the process that process the process the process the proc

The Ministers agreed that treaty obligations had not been respected by the Chinese and that some other guarantees were absojutely necessary, but no decision was reached as to the exact nature of the assurances that should be required. There was also some settlement of other questions

At these meetings of the Ministers the representatives of Spain, Austria and other countries Kiklehow. On their arrival at Si Yai Koo they which have comparatively small interests in were attacked and surrounded and on July 16 China do not assert themselves, but vote with hey were decoyed to the banks of the Yellow enth street. The three meetings were kept the majority. No serious difficulties have arisen yet and there is the strongest ground for believing that an agreement will be reached on every point involved. The delay in reaching definite conclusions is caused by the poor telegraphic service and the time required by the Ministers to send despatches to their Governments and receive realies. Some of the foreign representatives complain that it takes ten days o send a despatch from here and get an answer from their home offices.

Gen Gasclee, who commanded the allied expedition to Pao-ting-fu, returned here to-day. He brought with him a report from the international commission presided over by Gen. Bailloud, second in command of the French forces in China. This commission was appointed to ascertain what Chinese officials

sound Money parade and elected Henry, Rev. mode to the american Board that Fifth avenue is almost entirely composed of provide residences, while on Broadway between the streets mentioned are some of the largest business houses in the city. It was pointed out, too, that Union Sourre would held a great multitude of becopie who could see the parade in comfort there. The committee desided that it was too late to make any such chance, and so the original route, the one followed by the parade of issa, will be adhered to. The two official stands in Madisson Square. The official stands in Madisson Square have been finished and work is progressing on the private stands in Madisson Square. The official stands will be covered with the national colors and will doe be strung with electric lights of red, white and blue, so that he square will be limmated for the narchers who will not get along until after dusk. On the base of two discountering in the square will be limmated for the narchers who will not get along until after dusk. On the base of two early to the control was provided with the square will be limmated for the narchers who will not get along until after dusk.
